Help Businesses Succeed by Providing Them with Innovative and Effective Solutions.

Tile Planet – established in 2018 – is a trusted supplier of premium tiles, ceramic, sanitaryware, CP (chrome-plated) fittings, and adhesives. Serving over 35-50 dealers, architects and interior designers across Pune and Mumbai, Tile Planet delivers high-quality materials to builders and developers, providing solutions for residential and commercial projects. Specializing in diverse tile offerings, including parking tiles, our commitment is to bring top-notch products to every project, ensuring durability, style, and value.

A photograph of a modern bathroom interior. On the left, a white marble countertop holds a white rectangular sink with a black faucet. Above the sink is a large, round, silver-framed mirror. Two gold-colored wall sconces with white shades are mounted on the wall. To the right of the sink is a small potted green plant. In the background, a white cabinet is visible. On the right side of the image, a shower area is shown with white herringbone tiles, a glass door, and a window with a white frame. A blue and white patterned towel hangs on the left.

Our Mission

We Want to Make a Positive Impact on The World of Business.

At Tile Planet, our mission is to deliver top-quality tile, ceramic, and sanitaryware solutions that enhance spaces with style, durability, and functionality. We are dedicated to meeting the unique needs of our clients—whether they are dealers, builders, or homeowners—by providing a diverse range of products that set the standard for quality and design.

Through our commitment to excellence and customer satisfaction, we strive to be a trusted partner in every project, transforming spaces with materials that bring both aesthetic and long-lasting value. Our mission is to elevate interiors and exteriors alike, one tile at a time.

At Tile Planet, we offer an extensive range of premium products designed to meet the diverse needs of our clients in residential and commercial projects. Our product line includes:

Tiles

A vast collection of tiles, including floor tiles, wall tiles, and specialized parking tiles, available in a variety of styles, sizes, and finishes to suit every design aesthetic—from modern to classic.

Ceramic

High-quality ceramic products that bring a blend of durability and elegance to any space. Our ceramic offerings include a variety of designs to match both contemporary and traditional interiors.

Sanitaryware

Stylish and functional sanitary products, crafted to elevate both form and function in bathrooms and kitchens. We prioritize comfort, durability, and ease of maintenance in every piece.

CP Fittings

A selection of chrome-plated fittings that add a polished, sophisticated touch to bathrooms and kitchens. Our fittings are corrosion-resistant and built to last.

Products

Every product at Tile Planet is carefully selected to provide excellent performance, longevity, and aesthetic appeal. We are committed to helping you create spaces that are as durable as they are beautiful.

Wall Tiles

Wall tiles are designed to add aesthetic appeal to interiors, typically lighter in weight and often featuring glossy or matte finishes, perfect for kitchens and bathrooms.

Sizes: 300x600 mm, 300x450 mm, 300x300 mm

Floor Tiles

Durable and strong, floor tiles are crafted to withstand foot traffic and come in a variety of designs, textures, and finishes to enhance any room.

Sizes: 600x600 mm, 600x1200 mm, 800x800, 800x1600 mm

Parking Tiles

Built for strength and durability, parking tiles are ideal for high-traffic areas, featuring anti-skid surfaces to ensure safety and withstand heavy loads.

Sizes: 300x300 mm, 400x400 mm.

Elevation Tiles

These tiles bring texture and depth to exterior facades, providing a stone-like or rustic look that enhances building exteriors and gives them character.

Size: 300x450mm, 300x600mm

Products Body

Every product at Tile Planet is carefully selected to provide excellent performance, longevity, and aesthetic appeal. We are committed to helping you create spaces that are as durable as they are beautiful.

Vitrified Body Tile

Known for low porosity and high durability, vitrified tiles are ideal for both indoor and outdoor use, providing a sleek, water-resistant surface.

Sizes: 600x600 mm, 800x800 mm, 800x1600.

Ceramic Body Tile

Versatile and affordable, ceramic tiles are suitable for walls and low-traffic floors, available in various colors and patterns to complement any decor.

Sizes: 300x300 mm, 300x600 mm, 400x400 mm, 600x600mm

Porcelain Body Tile

With high stain and scratch resistance, porcelain tiles are harder and more durable than ceramic, ideal for areas with heavy foot traffic.

Sizes: 600x600, 600x1200 mm.

Full Body Tile

Full body tiles have color and pattern running throughout the tile thickness, making them highly resistant to scratches and perfect for heavy-traffic areas.

600x600 mm, 600x1200mm, 800x800 mm,

Products Types

Every product at Tile Planet is carefully selected to provide excellent performance, longevity, and aesthetic appeal. We are committed to helping you create spaces that are as durable as they are beautiful.

Double Charge Tile

These tiles feature a two-layer pigment process, making them thicker and more durable, with a polished finish suited for upscale interiors and commercial spaces.

Sizes: 600x600 mm, 600x1200mm
800x800 mm, 800x1600 mm

PGVT (Polished Glazed Vitrified Tile)

PGVT tiles are high-gloss, providing a polished, mirror-like finish that adds elegance to luxury interiors.

Sizes: 600x600 mm, 600x1200 mm.

DGVT (Digital Glazed Vitrified Tile)

With high stain and scratch resistance, porcelain tiles are harder and more durable than ceramic, ideal for areas with heavy foot traffic.

Sizes: 600x600, 600x1200 mm.

Matt Finishing Tile

Matt finish tiles have a subtle, non-glossy texture that adds a contemporary look to any room, suitable for walls and floors.

600x600 mm, 600x1200 mm.

Products Types

Every product at Tile Planet is carefully selected to provide excellent performance, longevity, and aesthetic appeal. We are committed to helping you create spaces that are as durable as they are beautiful.

Wooden Tile

Wooden tiles emulate the look of natural wood, bringing warmth to spaces with the durability of tile, ideal for floors in living areas or bedrooms.

Sizes: 600x600mm, 600x1200mm.

Wooden Plank

Designed to replicate real wood planks, these tiles are long and slender, perfect for creating rustic or minimalist aesthetics in flooring.

Sizes: 200x1000 mm, 200x1200 mm.

Swimming Pool Tile

Pecifically designed for pool areas, these water-resistant, anti-slip tiles come in various shades of blue and aqua, ensuring safety and style around water.

Sizes: 300x300 mm, 300x450mm

Adhesive

Tile Planet provides high-quality adhesive solutions for secure tile installations, ensuring long-lasting bonding for all tile types.

Sizes: Available in 20 kg and 30 kg bags

Sanitaryware / CP (Chrome-Plated) Fittings

Tile Planet offers a range of sanitaryware and CP (chrome-plated) fitting products from two reputable brands: Cera, Parryware and Local Brand. Here's a description of each:

Our sanitaryware products include a comprehensive selection of bathroom fixtures, such as washbasins, toilets, urinals, and bidets. Both Cera and Parryware are known for their high-quality, durable, and stylish designs that meet various aesthetic preferences and functional needs. With a focus on hygiene and innovation, our sanitaryware options are easy to clean, water-efficient, and crafted to enhance any bathroom's appearance.

Cera: Cera products are crafted with sleek, modern designs, offering both elegance and functionality. They are particularly known for their ceramic finish and high durability, making them a top choice for contemporary bathrooms.

Parryware: Parryware blends style with functionality and is highly durable, suitable for both residential and commercial settings. Known for innovative designs and ergonomic features, Parryware sanitaryware products are tailored to a wide range of customer needs.

CP (Chrome-Plated) Fittings

Our CP fittings range includes faucets, showerheads, mixers, and other bathroom accessories. CP fittings from Cera and Parryware are crafted to resist corrosion, ensuring longevity and a premium look for your bathroom fixtures. They offer both traditional and modern styles, designed for smooth functionality and water efficiency.

Cera: Cera's CP fittings are known for their advanced technology and contemporary designs, providing a sleek, polished look that enhances any bathroom's sophistication.

Parryware: Parryware CP fittings focus on a seamless blend of performance and style, offering user-friendly designs and eco-friendly water flow options. Their fittings are built for lasting use and elegance.

These Cera and Parryware products provide reliable and stylish solutions for any bathroom renovation or new installation, blending quality and innovation with design versatility.
